

Virtual Trip to Saxony

April 27 to 29, 2021

Follow-Up Event to Intec/Z connect 2021

Join us on a virtual tour and participate in workshop sessions. Discuss with German and international experts the innovative smart maintenance, robotics, sensor technology and automation solutions of tomorrow. Learn more about the Saxon approach to a digitalized future and meet new partners!

DAY 1 – April 27

Introduction and keynote speeches, company pitches on robotics, engineering and automation technologies.

DAY 2 – April 28

Keynote speeches and company pitches on modern production and sensor technologies as well as smart maintenance.

April 27 to 29: Individual **B2B meetings** with Saxon companies (optional)
